

COMPANY OVERVIEW

OléCopiers (pronounced: Olay) Provides full office document services and solutions as well as multi-function office copiers, printers, service and supplies under a unique 'Subscription Based Program'. Traditional leasing, sales and short-term rental programs are also available. Specializing in solutions from:

MISSION STATEMENT

Using best of breed manufactures and suppliers, Olé implements, manages and services office technology solutions that include printers, copiers, VoIP telephones, file storage, scanning and shredding services. Our goal is to deliver document and technology solutions that solve client challenges, lower costs and create solid, long-term relationships with clients.

VISION STATEMENT

Our goal is to be the best supplier of office technology solutions in So.Cal. as measured by year-over-year client growth and retention. We will achieve this vision by constantly exceeding client expectations and over-delivering value at every client interaction.
